# ★ **Breakout Coffee**

**I'm Aaron, and like a lot of you, my family has kids in minor hockey. We know how hard it is to fundraise – the endless chocolate bars, wrapping paper, or complicated logistics that barely break even. That's why we created something different: an easy, high-profit fundraiser that actually feels good to run.**

**Breakout Coffee is a Vancouver-roasted brand inspired by early rink mornings, locker room vibes, and the hockey community that shapes our kids. We craft bold specialty coffee right here in Vancouver – the kind that fuels long tournament weekends and post-practice chats.**

**Here's how it works:**

- Parents, families, friends, relatives, etc buy our premium bags at \$20**
- You keep \$4 profit per bag.**
- We donate \$1 per bag to HHTH – built into our model from day one, no matter what.**
- We handle everything else: ordering, packing, delivery, and even custom team labels (optional).**
