

### **U18A1 Season Summary for 2022/2023**

Season started with 29 Skaters and 2 goalies trying out for U18A1.

The team consisted of 16 skaters and 2 goalies coached by Jordan Wolfe.

The team participated in a tournament early in the season in October on Vancouver Island and earned a Silver medal despite various early injuries.

They were placed in Tier 3; we applied to move the team to Tier 2 for better competition but PCAHA declined this request.

The team ended this tier in second place.

Congratulations to this hard working group!
