COMMUNICATIONS

● COMMUNICATIONS

*-according to MHA's communication procedure.

Note: We need a volunteer to step up as league manager to work with PCAHA as our representative

TEAM FINANCIALS

TEAM BUDGETS

The following slides provide an approximation of team fees that should be expected and the line items that CMHA has deemed to be acceptable uses of those funds. Team budgets may not be submitted for approval to VP/DC until the teams are FINAL. Budget approval by VP of the division and budget ratification by the team are required before team fees can be collected.

These are general approximations. All budgets must fall within the provided guidelines on the CMHA Team Financial Workbook (found on the CMHA manager's page). All discretionary budget items outside of those listed, for example third jersey sets or tournaments to locations requiring air travel (this is not an exhaustive list), must be agreed upon by the entire team (100%) by separate email to the VP of the division, by each family.

U9 C

Approximately \$250-\$400 per player

- Team Tournaments (usually between \$1100-\$1400)
- CMHA Candy Cane: \$1150 per team + raffle Approx \$150 -tournament gathering
- Ref costs \$40 X 2 refs per game (home team pays)
- Extra Ice (see ice chart on the managers resources page / ice)
- Team activities (gym rental, etc.)
- Misc. – supplies, bank charges etc.
- Player trophies/medals
- Year end party
- Bench Staff gifts
- Apparel (hoodies, track suits, practice jerseys)
- Mandated** Goalie Development \$500 per team (withdrawn from team account, mid-October.
- Mandated** Outside evaluators for tryouts ~\$200/team

NOTES

* “Budgeted” is defined as goalie development that is mandatory to cover out of team funds, but not mandated to be spent via CMHA in-house goalie development. These divisions have the option to opt-in to in-house development or choose their own developers, but they must spend the budgeted amount.

** “Mandated” means that the team cannot opt-out of the in-house goalie development.

Teams that do not include these costs in their budgets will not have their budgets approved.
