WELCOME MESSAGE FROM THE CITY OF COQUITLAM

Welcome to the Poirier Sport & Leisure Complex! We are happy to welcome you and your team to our facility for the duration of your competition. We have a few notes we would like to pass on to ensure that everything goes smoothly:

- 1) **Balls and Pucks** – Please do not shoot, pass or stick handle balls or pucks in the hallways, walking track, lobby areas or change rooms. These actions can be a safety hazard for other users and may cause damage to the facility.
- 2) **Warm-ups** – As a courtesy to all other patrons in the building and our immediate neighbors in the Poirier area, we kindly ask that team warm-ups be localized to dressing rooms, an appropriate location off-site, or within bookable spaces in our building. Please reach out to bookings@coquitlam.ca with direct enquiries for bookable spaces. If warming-up off site, please be considerate with regards to music/volume, especially early in the morning.
- 3) **Signage/Posters** – Signage and Posters may not be posted/taped anywhere on the facility walls. The City can provide white boards or access to snap boards if signage/posters are required.
- 4) **Dressing Rooms** – Should be left in the condition they were in when you arrived. Any significant messes requiring clean-up could be billed back to you. Our staff members do their best to get in the rooms between groups to clean and tidy but this is not always possible. Please let us know immediately if there is a mess in the room or if the garbage or recycling bins need to be changed.
- 5) **Facility Parking Maps** - Poirier area parking maps have provided to the event organizer with team bus pick/up drop-off areas identified.
- 6) **Please let us know** – We want to help provide the best possible experience for your team while you're competing at our facility. Please let us know if any equipment repairs or clean ups are needed in the facility.

Please see visitcoquitlam.ca for more information of what there is to do in Coquitlam during your stay. #explorecocquitlam

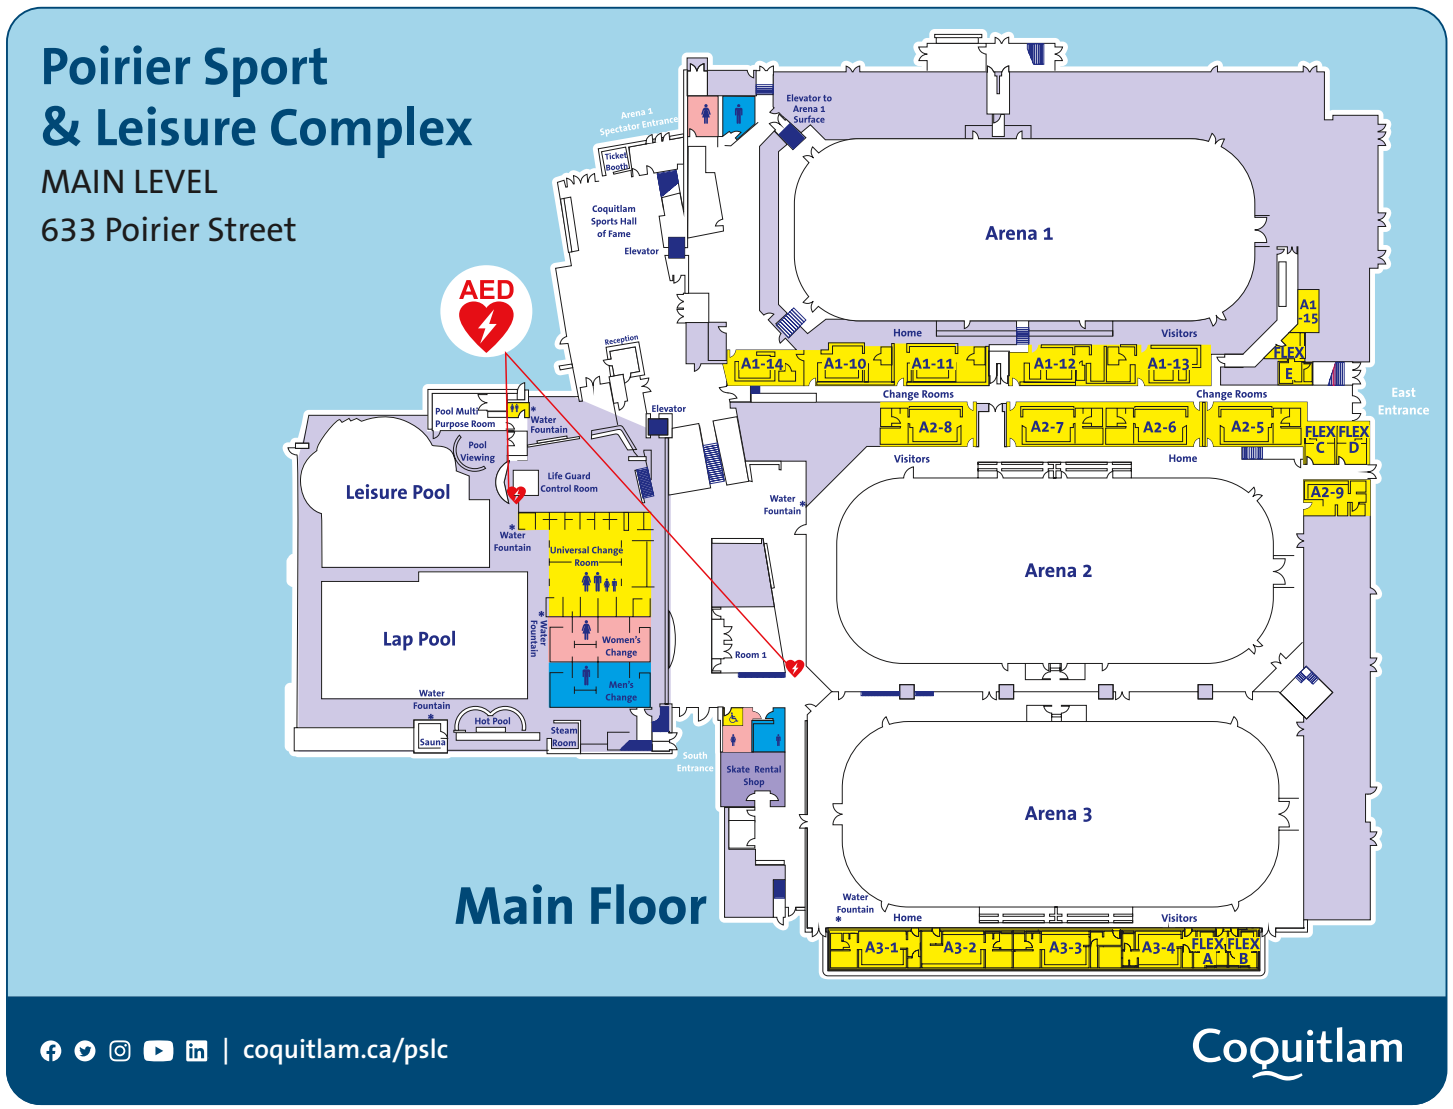

Thank you in advance for helping us keep our facility in tip top shape so that the focus can be on the competition on the arena.
